COMPANY FINANCE

BRANCH FUND TRANSFER MANAGEMENT SYSTEM — USER GUIDE & RULES

Version 2.0 • Published October 2026 • Official Operating Governance Document

1. USER ROLE PERMISSIONS & RESPONSIBILITIES

BRANCH EMPLOYEE (All 11 Branches: Borella, Dehiwela, Homagama, Panadura, etc.)

PERMITTED TASKS (STRICTLY CONFINED TO TWO ACTIONS):

1. Register Customers: Capture Full Name, NIC, Address, Phone, Bank, Branch, and Account Number with KYC validation.
2. Create Fund Transfer Requests: Select registered customer, choose funding branch, specify amount and reason.
3. Track & Retrieve: View request approval progress and download/inspect the uploaded bank payment receipt.

STRICT RESTRICTIONS:

- Employees CANNOT approve, reject, or disburse cash/bank payments under any circumstance.

BRANCH MANAGER (Central Branch Operations & Review)

PERMITTED POWERS & DUTIES:

1. Cross-Branch Approval Inbox: Review all incoming transfer requests from all 11 branches in real-time.
2. 1-Click Approve / Reject: Make binding approval decisions. Rejections require a documented justification.
3. Payment Execution & Receipt Upload: Disburse funds directly to customer account and attach PDF/image receipt.
4. Multi-Branch History: Full visibility over chronological transfer ledgers, timestamps, and audit records.

MAIN ADMINISTRATOR / MR. SANJAY (Executive Approver & Head Office)

EXECUTIVE AUTHORITY:

1. Institution-Wide Governance: Supreme visibility across all 11 branch operations, accounts, and customer rosters.
2. Executive Approval Authority: Either Manager or Mr. Sanjay can approve; single decision locked immediately.
3. Independent Verification: Verify uploaded payment receipts against treasury accounts and mark status Verified.
4. Tamper-Evident Audit Trail: Complete access to system audit logs, user management, and compliance ledgers.

2. STRICT OPERATIONAL RULES & POLICIES

RULE 1: NO PASSWORDS IN SYSTEM DROPDOWNS

Dropdown menus only display the branch and username. Users must always type their password manually to prevent unauthorized access on shared branch terminals.

RULE 2: SEPARATION OF DUTIES (SoD)

The employee who registers a customer or submits a request can NEVER approve that request or execute payment. Approvals require independent Manager or Mr. Sanjay s

RULE 3: SINGLE DECISION LOCK

Once either the Manager or Mr. Sanjay approves or rejects a request, the decision is permanently locked. Duplicate conflicting decisions are strictly prevented by the databas

RULE 4: DIRECT-TO-BANK DISBURSEMENT ONLY

All approved funds must be transferred directly into the customer's registered bank account (via CEFT, SLIPS, RTGS, or Internal Bank Transfer). Funds are never given as u

RULE 5: MANDATORY RECEIPT UPLOAD & AUDIT LOGGING

No transfer is considered complete without an uploaded bank payment receipt advice (PDF or image). Every action records actor, IP, date, and exact time down to the second
